Briefs

The tighter or fitted type of sexy men's underwear styles but may also refer to swimwear, the type most men start out with from popular brands like Hanes. The mens bikini styles include animal print underwear for guys or solids. Many have a fly front but the newer styles are flat or have a pouch front on them and can vary from cotton to sheer or microfiber. They feature elastic waistbands that are either wide and may have a brand name like Calvin Klein or may be thin or covered in fabric for comfort and styling. If they don't have much of a back then they are referred to as thongs. Sheer styles are often referred to as erotic or exotic. Men in athletic supporters are also referred to as jockstraps, the most popular style is Safetgard athletic cup supporters for men which has a breathable fabric type of **mens underwear**.
